

KSI Homework - Term 4

Dear Parents/Carers,

Children's homework for the first part of this term has been to learn their poems. We are very much looking forward to the recital on Thursday (9.3.17) in class and the whole school recital on Friday (10.3.17).

For the remainder of the term, we are going to be researching into the different habitats of animals. We will be exploring these during English and Topic. For homework please do one of the following:

- Explore your garden or
- Explore the park or
- Explore local woodland
- Explore riverbanks and look for different types of animals and their habitats.

We would welcome photographs, pictures, recorded information about their findings, which will be shared during our homework celebration in the last week of term.

Please continue to read at least 5 times a week.

Kind regards,

Key Stage 1 Team.
