

Year 3/4 topic homework - Mythical Creatures

Choose 1, 2 or
3 options, or
think of your
own homework
ideas!

Design your own mythical creature.

This could either be in drawing, created on the computer or in written format. Use the link below to help. You can create your own mythical creature, screenshot it and send it school.

<http://www.scholastic.com/underlandchronicles/creaturecreator.htm>

Create a wanted poster for a mythical creature of your choice.

A template is provided or make your own!

<h1>WANTED</h1>

Name: Mr J. Werewolf
Description: He is half human and half wolf. I recommend you do not approach him! He has sharp, black, pointy claws and yellow eyes that burn like the sun. His body is covered in dark fur with two large, pointy, black ears that allow him to hear even the smallest of sounds.
Best known for: He is best known for turning into a werewolf when the moon is full and hunting in the night. He has a loud howl that scares even the bravest of creatures.
Reward: There is a reward of 10,000 if the wolf is captured!

Make mythical creature cookies.

Take a picture so you can share your creations with your class.

Use the internet to come up with a list of Greek mythical creatures and share with your class.

Here is a link to help you!

Make a mythical creature home from junk modelling.

Upgrade this poem and share with the class.

Fly Dragon Fly

Fly, dragon, fly,
Higher and higher.

Breathe, dragon, breathe,
Flames of fire.

Blink, dragon, blink,
Your eyes of gold.

Sleep, dragon, sleep.
You are ever so old.
