10 February 2012

Dear Parents of Reception children

We are planning to run some parent workshops on the themes of

- **Moving your child forward with reading:** A look at how to support your child with applying the skills they have learnt to move forward with their reading. The aim of the workshop is to provide practical advice on how to support your child at home in preparation for the expectations in Year One.
- **Supporting you child in Numeracy:** A look at how we teach number skills in school, with the opportunity to purchase resources that can be used at home to help your child understand number relationships. In this part of the workshop the expectations of what your child needs to know and understand as they move into Year One will be discussed with practical advice on how to support your child at home.

The workshops will run back to back on Thursday 23rd February, starting at 2.20pm, until 3.10pm. If you are unable to attend the workshop, please let me know and I will arrange for the handouts to be made available for you.

I look forward to seeing you at the meeting on Thursday 23rd February.

Regards,

Vicky Drew
KS1 coordinator

Becoming the best we can through faith, friendship and participation
